SECTION 1 - INTRODUCTION

1.1 OVERVIEW, PURPOSE AND APPLICABILITY

This Selling Guide provides loan origination and operating guidelines for NH Housing's Single-Family Mortgage Programs, primarily intended for Participating Lenders. NH Housing homeownership programs are exclusive to properties in New Hampshire. This document serves as a Program Guideline under the Mortgage Loan Purchase Agreement and/or Participating Originator Agreement between NH Housing and the Participating Lender/Originator.

The Selling Guide applies to all programs unless otherwise specified in specific Homeownership Program Rules (HFA 301-HFA 341). In case of conflict or ambiguity between the Selling Guide and a specific Homeownership Program rule, the latter prevails. NH Housing may amend policies by notifying Participating Lenders in writing, with the amended policy posted on NH Housing's websites (www.NHHomeownership.org, www.GoNewHampshireHousing.com, www.nhhfa.org).

NH Housing has the authority to determine which homeownership programs to offer and can modify or reduce programs and funding availability. The decision to approve or deny an application is based on various factors, and NH Housing retains sole discretion in this regard.

NH Housing can amend program requirements, including Homeownership Program Rules and program documents, at its sole discretion. Unless explicitly stated, the repeal or amendment of a rule does not affect existing Borrowers who remain subject to the rules in effect at the time of loan execution. Pending applications are subject to the rules in place at the time of application, except if a rule change is mandated by statute, in which case the new statutory requirements apply.

NH Housing maintains a list and copies of repealed rules for inactive programs, which are available upon request.

NH Housing maintains full discretion and exercises judgment in making decisions regarding these applications.

A. Application

The Applicant initiates a request with NH Housing by submitting a [New Lender Request Form](#) for the application and questionnaire. NH Housing will provide draft copies of the Mortgage Loan Purchase Agreement and or Participating Originator Agreement. The completed application and all supporting documentation must be provided to the Business Development Manager at NH Housing. The application fee must be submitted with the application ([see fee schedule](#)).

An Applicant may apply to be both a Participating Lender and a Participating Originator provided all required information is submitted.

By submitting a complete application, the Applicant is certifying, under penalties of perjury, that all information, statements, reports, or other documents furnished by the Applicant to NH Housing contain truthful and accurate statements and information. To the extent the Applicant relies on third parties, the Applicant shall take steps to ensure that information, statements, reports, or other documents from third parties are true and accurate.

While the complete application is pending review and approval, the Applicant shall notify NH Housing if anything in its application or supporting documents materially changes or is found to be materially inaccurate.

B. Approval Notification

Participating Originator Agreement will be sent for signature.

If NH Housing denies an application, the applicant may seek a review of that decision by sending a request for review, stating the basis for the request, to NH Housing's Executive Director. The Executive Director shall review the request and provide the applicant with a decision. After receiving the Executive Director's decision, the applicant may seek further review by sending a request for review to NH Housing's Board of Directors.

C. Required Training

Newly approved Participating Lenders and or Participating Originators must complete the required NH Housing training before being authorized to originate loans in adherence to this Selling Guide. Lender training is available regularly on our website or upon request. Training requirements apply to both customer facing and back-office staff who will be working with NH Housing products.

2.3 MAINTAINING LENDER APPROVAL STATUS

After the initial approval, Each Participating Lender and Participating Originator will be required to meet the following requirements to maintain their status as an approved NH Housing Lender.

- A.** New Lenders: All newly approved lenders will be subject to an initial review period where NH Housing will require a closing and compliance review prior to the lender issuing a "clear to close" (CTC). This period will be at minimum the first five (5) loans sold/closed to NH Housing.
- B.** Existing Lenders: NH Housing has instituted a five (5) loan minimum requirement for both Participating Lenders and Participating Originators. Each Participating Lender shall sell a minimum of five (5) NH Housing loans per calendar year. Each Participating Originator shall close a minimum of five (5) closed NH Housing loans per calendar year.
- C.** Participating Lenders and Participating Originators that do not meet satisfactory loan quality will be placed under a review period and assigned mandatory training. Lenders that do not meet minimum standards for loan delivery or continue to deliver unsatisfactory files may be terminated.
- D.** Annual recertification of the Mortgage Loan Purchase Agreement and or Participating Originator Agreement that confirms compliance with all NH Housing requirements and qualifications.

2.4 TERMINATION OF PARTICIPATION

The termination of NH Housing's approval to be Participating Lender and/or Participating Originator is governed by the MLPA and/or the POA. Participation may be terminated by either party.

SECTION 3- RESERVATION AND RATE LOCK POLICY

This policy governs how Participating Lenders can make reservations in NH Housing's loan reservation system, Lender Online.

3.1 MORTGAGE RATES

NH Housing will post the mortgage interest rates online at NH Housing's website and within Lender Online. The daily rate distribution email is available upon request/subscription. Such rates are subject to change, including changes throughout the day, and are not considered locked until the Participating Lender makes a valid reservation with NH Housing and receives a Reservation Confirmation.

NH Housing products are available for lenders within the Optimal Blue pricing engine. To incorporate Optimal Blue products, lenders should contact their Optimal Blue Client Services Representative.

3.2 REQUIREMENTS

- A. In all instances, the Participating Lender is required to utilize Lender Online in an ethical and honest manner. This means correct information, to the best of the Participating Lenders ability, should be imputed for the reservation.
- B. A reservation or price guaranty is made based on a Mortgage Loan application and a specific Property. If the Mortgage Loan application falls through, that application is null and void. The Participating Lender is responsible for cancelling the reservation in Lender Online. If a change of applicants or property occurs, the subsequent reservation will be treated as a new reservation.
- C. The Participating Lender shall reserve Mortgage Loans it intends to sell to NH Housing under a best-efforts basis. The Participating Lender commits to deliver the Mortgage Loan regardless of market conditions.
- D. All NH Housing published rates and prices are subject to change without advanced notice. Once a Participating Lender is notified that the rates have changed, no Mortgage Loans can be reserved at the previous rate and price.
- E. The Mortgage Loan must be delivered to NH Housing by the reservation expiration date or extension fees will apply.
- F. If a reservation expired on a Saturday, Sunday or holiday, the reservation expiration date will roll forward to the next business day.
- G. NH Housing is under no obligation to purchase a Mortgage Loan at an interest rate that differs from the locked interest rate.

3.3 MORTGAGE LOAN RESERVATION PROCESS

- A. Reservation of Funds:
 - a. The Mortgage Applicant must provide a bona fide contract of sale executed by both the buyer and seller of the Property.
 - b. The Mortgage Applicant must submit information to the Participating Lender demonstrating the ability to satisfy the income and other qualifications of the program under which they are applying, subject to the Participating Lenders' full underwriting of the Mortgage Loan.
- B. After the Participating Lender has prescreened an applicant for program eligibility, an authorized member of the Participating Lender shall reserve the Mortgage Loan via Lender Online. Lender Online will be open for reservations from 9:30 a.m. to 8:00 p.m. on

weekdays in which NH Housing is open for business. NH Housing is closed and Lender Online will not be available the following holidays: New Year's Day, Civil Rights Day, President's Day, Memorial Day, Juneteenth, Independence Day, Labor Day, Indigenous Peoples' Day, Veterans Day, Thanksgiving, the Friday after Thanksgiving and Christmas.

- C. Once all required information has been submitted to Lender Online, a Reservation Confirmation will be generated and a reservation number will be assigned.
- D. Participating Lender shall use Lender Online to make loan reservations, check the status of existing reservations, update reservation data and update the status of reservations.
- E. NH Housing will notify Participating Lenders of rate and price changes in advance when possible; however, there may be circumstances in the market when Lender Online may be shut down during normal reservation hours.
- F. If Lender Online is not working during normal reservation hours for non-market related reasons or if an exception has been granted, the Participating Lender may submit a manual reservation to reservations@nhhfa.org using the [Reservation of Funds Form](#). NH Housing will review the submission, and if approved, will send the Participating Lender a Reservation Confirmation. The reservation is not considered locked until the reservation request is approved by NH Housing. The manual reservation is subject to the rate offered at time of approval.

3.4 PREREQUISITES FOR HOME PREFERRED RESERVATIONS

The Participating Lender must complete additional steps to make a Fannie Mae Home Preferred reservation. It is important to note that reservations are considered valid only after fulfilling these prerequisites. NH Housing will not honor rates until the specified prerequisites have been satisfied.

- A. Before making a reservation, the Participating Lender must have received the approve/eligible Desktop Originator (DO) Findings, and/or Desktop Underwriter (DU) Findings. Findings obtained that do not have NH Housing as the sponsor are not acceptable. Additionally, the reservation must be made within 20 days of receiving "approve/eligible" findings. A reservation is not valid, and thus the rate is not considered locked, unless the Participating Lender has:
 - a. Uploaded correct DU Findings through Lender Online; or
 - b. Submitted the DO approved Findings; and
 - c. Made the reservation within 20 days of receiving "approve/eligible" Findings.
- B. The Participating Lender must provide all required information for a loan reservation in Lender Online including an accurate AUS case file number.
- C. DO/DU Findings must be accurate and complete; and must include the following (not an all-inclusive list):
 - a. Interest rate in DO/DU must match NH Housing's published interest rate at the time of reservation;
 - b. All applicable HFA Preferred **Special Feature Codes** must be reflected;
 - c. All Borrower information must match reservation (e.g., names, Social Security numbers and property address); and
 - d. The actual address for the property to be mortgaged must be included – the address on findings cannot be "TBD."

If NH Housing is unable to commit a loan to Fannie Mae due to missing and/or inaccurate information, the Participating Lender will be contacted and asked to update as needed. Inconsistent and/or missing information will delay acceptance of the reservation and may result in a different interest rate based on market conditions. NH Housing will not be responsible for changes in interest

rates due to incomplete/inaccurate reservation submissions.

3.5 EXTENSION POLICY

Once a reservation is made via Lender Online, the rate is locked for 60 days subject to the Participating Lender delivering the loan to NH Housing as required in the Mortgage Loan Purchase Agreement and the NH Housing Selling Guide. The Participating Lender is responsible for monitoring its pipeline of reserved Mortgage Loans. Extending reservations will vary by Mortgage Loan product:

- A. Home Flex and Home First:** Lenders are not required to extend Home Flex or Home First loan rates prior to expiration; loan funding will automatically be adjusted for loans delivered beyond the expiration date based on the Loan Acquisition Fee Schedule (See Section 10, Fees and Compensation).
- B. Home Preferred:** Lenders must request extensions in writing (email) prior to the expiration date of the original reservation. Extensions can be requested in increments of 5 days, with 30 being the maximum. Extension fees will be calculated based on market pricing and the number of days extended. Extension fees will be deducted from loan funding at time of purchase. Participating Lenders will be billed separately for loans extended but not delivered to NH Housing. Loans received after expiration will be subject to worst case pricing plus any additional fees imposed by Fannie Mae.

3.6 RELOCKS

A reservation must be expired or cancelled in order to relock. Reserved loans for the same Borrower and Property that have been cancelled or expired for less than 30 days are subject to worst-case pricing. Reservations expired for 30 days or more will be relocked at current market pricing.

3.7 PROGRAM CHANGES

Program change requests for active reservations must be requested via email to reservations@nhhfa.org. Generally, changes from one program to another or one agency/insurer to another will require a new reservation. NH Housing staff will advise whether a new lock must be submitted as well as the terms that apply. These requests will be processed within one business day of submission.

Program changes within the same program (for example Home Flex to a Home Flex Plus) will be subject to worst-case pricing and will retain the current lock expiration period.

Program changes to a different program (for example Home Flex to Home First) will be based upon current market pricing and the lock expiration date will be 60 days from the newly created reservation.

NH Housing does not offer rate adjustments for interest rate movements within the lock period.

3.8 UPDATING LOAN STATUS

The Participating Lender shall periodically review its reservation pipeline and update the status of each reservation.

3.9 NONCOMPLIANCE

NH Housing has the right to reject reservations that do not comply with the NH Housing Selling Guide guidelines, regardless of when that noncompliance is discovered.

SECTION 4 - LOAN PROGRAMS AND POLICIES

Under the Mortgage Loan Purchase Agreement (MLPA), Participating Lenders are required to ensure that a loan meets all of NH Housing's program requirements. It is the Participating Lender's responsibility to fully read the Selling Guide and to ensure that Mortgage Loans are properly underwritten, and the Borrowers are properly qualified.

NH Housing is not obligated to buy a loan and/or NH Housing is not authorized by the IRS to issue a mortgage credit certificate (MCC) for a loan that does not meet program-specific eligibility criteria set forth in this Selling Guide, as well as all applicable Federal guidelines, depending on the loan type and program (FHA, VA, USDA or Fannie Mae.)

The following section presents a general overview of the loan programs and policies that Participating Lenders shall follow when delivering loans that will be sold to or closed with NH Housing. For additional information, Participating Lenders should review all NH Housing Program Guidelines, including the [Program Matrix](#), required [forms](#) and program [Fact Sheets](#).

4.1 HOME FIRST PROGRAM (MORTGAGE REVENUE BOND- MRB)

NH Housing offers the Home First Mortgage Loan program to provide competitive interest rates and Cash Assistance options. Both new and existing homes may be eligible for financing except as otherwise specified in this Selling Guide. Refinances are not allowed under the Home First program. An MCC is not allowed to be paired with a Home First Mortgage Loan. NH Housing uses tax-exempt Qualified Mortgage Revenue Bonds (MRB's) to fund loans under the Home First mortgage program and therefore the loans must comply with certain requirements as set forth by the IRS as described in the Selling Guide and outlined in the Fact Sheet.

4.1.1 BORROWER ELIGIBILITY

- A. First-Time Homebuyer:** All Mortgagors and any other person who is expected to both live in the home and be secondarily liable on the Mortgage, must be a first-time homebuyer. A first-time homebuyer for the Home First mortgage program is defined as someone who has not had an ownership interest in (not listed on the deed) their principal residence during the previous three years prior to the date the mortgage is executed. Examples of "ownership interests" include:
- A fee simple interest;
 - A joint tenancy;
 - tenancy in common or tenancy by the entirety;
 - The interest of a tenant-shareholder in a cooperative;
 - A life estate;
 - The interest of a purchaser under a land contract or installment sales agreement with a term that exceeds 24 months and under which the purchaser takes possession even though legal title is not transferred until some later time;
 - An interest held in trust for the person (whether or not created by the person) that would constitute as present ownership interest held directly by the person; or
 - An ownership interest in a mobile home or other factory-made housing.

Examples of interests that do not constitute "ownership interests" are:

- A remainder of interest;
- A lease with or without an option to purchase;
- A mere expectancy to inherit an interest in a principal residence;
- The interest that a purchaser of a residence acquires upon the execution of a standard purchase contract, without a right of possession; or
- An ownership interest in other than a principal residence during the previous three (3) years.

The first-time homebuyer requirement does not apply if the Borrower is purchasing in a Targeted Area. The following 15 communities have been designated as Targeted Areas by the U.S. Department of Housing and Urban Development: Berlin, Claremont, Concord, Dover, Goffstown, Laconia, Lancaster, Littleton, Manchester, Newmarket, Pittsfield, Portsmouth, Rochester, Somersworth and Whitefield.

For the Home First program, qualified Veterans are also exempt from the First-Time Homebuyer rule. The [Affidavit of Veteran for Exception](#) form is required.

B. Home First Income Limits

Each loan file will have two income calculations:

- a. Qualifying Income: Follow industry standard documentation and calculation requirements. Qualifying income will be used for MI Coverage (if applicable) and automated underwriting. In no event shall this income exceed NH Housing’s annually published income limit.
- b. Gross Annual Compliance Income: Refer to the [Gross Annual Compliance Income Guidance](#) for additional details. Detail income on [Home First Income Calculation Worksheet](#). In no event shall this income exceed [Home First Income and Purchase Price limits](#).

The Gross Annual Compliance Income for all Mortgagors, including non-occupant co-Borrowers and any other person who is expected to both live in the home and be secondarily liable on the Mortgage must not exceed the Home First income limits. These limits are adjusted annually. All sources of income must be included. Reference the comprehensive [Home First Gross Annual Compliance Income Calculation Guidance](#) for specific information on how to calculate Gross Annual Compliance Income.

Example: The following household scenarios establish guidelines for calculating income and identifying the Borrowers who must meet the First-Time Homebuyer rule:

C. Home First Purchase Price Limits

The purchase price of the Property utilizing a Home First Mortgage Loan program cannot exceed the purchase price limit applicable to the property's county. Review the [Program Matrix](#) to identify specific limits.

D. Eligible Properties

The Property must be a Single-Family Dwelling, including condominium, co-op, townhouse/PUD, and manufactured or mobile home which is permanently affixed to real property owned by the Borrower, that will be the Borrower's primary residence. Two-to-four-unit dwellings, in which the owner uses one unit as his or her primary residence and may rent one or more of the remainder, that has been used as a residence for the previous five years are also eligible. Two-unit dwellings located in a Targeted Area that will be used for residential purposes are not required to meet the five-year requirement.

A property where more than 15% of the total area is expected to be used primarily for a trade or business purposes does not qualify as a principal residence and therefore not eligible to be funded with a Home First Mortgage loan.

Maximum acreage is 10 acres, however, exceptions are allowed with the completion of a [Land Use Borrower Affidavit](#).

E. Recapture Tax

A Federal tax known as the "Recapture Tax" became effective for all MRB-funded Mortgage Loans that closed after January 1, 1991. As enacted, a Borrower may be subject to this tax if the home is sold or disposed of within the first nine years of your Mortgage Loan the purchase. The tax would be payable with the Borrower's Federal Income Tax Return for the year in which the home was disposed of. The maximum tax is 6.25 percent of the mortgage amount or 50 percent of the gain realized on the sale, whichever is less. There are other factors that affect the amount of tax which may be due, including family size and income at the time of the disposition of the Property. Your Borrower may wish to consult with a tax advisor or the local IRS office at the time of disposition of the home to determine the amount, if any, of Recapture Tax owed to the IRS. At loan origination, there is no way to predict the amount of Recapture Tax the Borrowers may be required to pay. NH Housing will not calculate the amount of Recapture Tax that a Borrower may owe upon disposition of the property.

F. Refinancing

The Mortgage Loan must be a new Mortgage Loan on the Property for the Borrower. Home First cannot be used for refinance transactions.

G. Occupancy, Rental and Assumptions

Rules outlining occupancy, rental and assumptions can be found in [HFA Rule 322](#).

4.5 CASH ASSISTANCE LOANS

There are very specific guidelines that Participating Lenders **must** follow to use NH Housing Cash Assistance programs. Failure to comply with this guidance could result in a material defect in the Mortgage Loan and NH Housing would not be obligated to purchase that Mortgage Loan.

4.5.1 CASH ASSISTANCE TERMS

Effective for reservations accepted on or before July 31, 2024, Cash Assistance will be forgiven in full five years after the closing date, unless during the first five years the Borrower: sells the Property, refinances the Property, or files for bankruptcy. Cash Assistance must be repaid in full if any of the three events listed above occur.

Effective for reservations accepted on and after August 1, 2024, Cash Assistance will no longer be forgiven and will be due in full if any of the following events occur: payoff of the first mortgage, the sale or refinance of the Property, bankruptcy, or the Property is no longer the Borrower’s primary residence.

Cash Assistance must be secured by a second mortgage (the Cash Assistance Mortgage). Participating Lenders must list Cash Assistance as a subordinate lien with the source of funds coming from a State Agency. No periodic payments are required, and no interest will be charged on the Cash Assistance Mortgage.

4.5.2 FUNDING CASH ASSISTANCE

NH Housing must send Cash Assistance funds to the closing agent at or prior to closing. Participating Lenders shall request Cash Assistance funds from NH Housing before noon at least two (2) business days before the closing date.

Should a Participating Lender fail to follow this funding approach, the Participating Lender shall immediately notify NH Housing. If a proper reservation was made for the loan and that reservation is still valid and the Participating Lender has a then-current MLPA with NH Housing, then NH Housing will confirm that: 1) it directly funded the Cash Assistance with NH Housing funds; and 2) at or before the loan closing, NH Housing was legally liable/obligated to fund the Cash Assistance.

Should a loan funded under this alternative procedure not be eligible for mortgage insurance, the loan shall be deemed not an "Eligible Mortgage Loan" under the MLPA. If NH Housing provided the Cash Assistance funds, the Participating Lender shall repay NH Housing for those funds.

4.5.3 DOCUMENT PREPARER REQUIREMENTS:

The Participating Lender will serve two distinct roles depending on which loan is involved:

- A. The Participating Lender will follow the usual steps for originating, underwriting, processing and closing the first position Mortgage Loan. This role is governed by the Mortgage Loan Purchase Agreement (MLPA), Selling Guide and Product Fact Sheets.
- B. Document Preparer for the Cash Assistance Mortgage: **NH Housing is the lender for the Cash Assistance Mortgage.** NH Housing will prepare the Cash Assistance mortgage and note. The following will be completed by the Document Preparer:
 - o Disclose to the borrower, using NH Housing program disclosure and CFPB TRID disclosures, including the Loan Estimate and Closing Disclosure;
 - o Request cash assistance funds through Lender Online or prepare the [Cash Assistance Wire Transfer Request Form](#) and submit to cashassistance@nhhfa.org two business days prior to closing;
 - o Have the Borrower execute the Cash Assistance Mortgage; and

This request must include a detailed breakdown of estimated costs for materials, permits (if applicable), and labor prior to the commencement of construction.

Contractors must be screened through the Better Business Bureau (BBB) and maintain a contractor accreditation status of "B" or higher. If the contractor is not listed on the BBB, an alternative method of verifying their reputation through an online search is required.

the closing agent is authorized to release the two-party check(s) indicated on the Closing Disclosure.

- a. Fully executed rehabilitation [Mortgagor's Letter of Completion](#)
- b. Final invoices from all contractors
- c. Fully executed [Final Owner's Loan Disbursement Affidavit](#) (one per contractor)

This initiative is an option to and follows all guidelines of the Single-Family Mortgage Program and is open to approved Housing Choice Voucher participants.

A. Application of Housing Choice Voucher (HCV) payments

If the Participating Lender fails to submit a completed Mortgage Loan file to NH Housing or if any defect or covenant noncompliance is not or cannot be cured to NH Housing’s satisfaction within the thirty (30) day period, the Participating Lender shall repurchase the Mortgage Loan.

NH Housing shall notify the Participating Lender in writing of the repurchase, including the reason for the repurchase. The Participating Lender shall have thirty (30) days to respond to the repurchase notification. The Participating Lender shall repurchase the loan within an additional thirty (30) days.

The repurchase price shall be based on the following formula, subject to any “repurchase price adjustments” described below:

Mortgage Loan’s principal balance at Loan Purchase

- (minus) payments made to principal
- + (plus) interest accrued but unpaid
- + (plus) funds advanced under the Mortgage, e.g., taxes and insurance
- + (plus) compensation paid to the Participating Lender by NH Housing connected with the Purchase

For this formula, “repurchase price adjustments” shall mean: If NH Housing has collected other funds related to the Mortgage Loan, including funds from a foreclosure, sale or an insurance or guarantee claim, the repurchase price shall be adjusted to reflect these payments. Cash Assistance, if applicable, will need to be repaid as well.

5.16 ASSUMPTIONS

Assumptions may be permitted with the approval of NH Housing acting in its sole discretion. Under no circumstances are Cash Assistance loans assumable. Any outstanding Cash Assistance loan amount must be paid off at the time of transfer of ownership.

A. Home First

If authorized by the investor, insurer and/or guarantor, NH Housing Mortgage Loans may be assumed by qualified Borrowers meeting NH Housing income requirements, and any other eligibility requirements applicable to the Program at the time of the assumption. All requirements of the applicable sections of the IRS Code, including the income limitation, principal residence, and three-year non-homeowner requirement and the purchase price limitations must be met with respect to the assumption.

When the assumption occurs, the residence is considered to be an existing property for NH Housing purposes, regardless of the fact that the home was considered new when the Mortgage Loan closed. The new Borrower may be subject to Federal Recapture Tax, if the sale occurs within nine (9) years following the original closing date.

B. Home Preferred

NH Housing will follow Fannie Mae assumption guidelines as well as the private mortgage insurer, if the mortgage insurance is still active. Please note that buyers cannot assume the conventional mortgage but a transfer due to marriage, divorce, or inheritance is possible.

C. Home Flex

If authorized by the investor, insurer and/or guarantor, NH Housing Mortgage Loans may be assumed by qualified Borrowers meeting NH Housing income requirements, and any other eligibility requirements applicable to the Program at the time of the assumption.

5.17 EXCEPTIONS

NH Housing may grant exceptions to certain policies due to extenuating circumstances that are beyond the control of the Borrower and/or Lender or compensating factors that will reduce risk. All exception requests must be submitted to exceptions@nhhfa.org and include the NH Housing loan/reservation number, exception being requested, compensating factors and/or extenuating circumstances. NH Housing will review and respond to all exception requests within 24 hours of receipt. Under no circumstances will NH Housing approve exceptions for the following reasons: waiver of a water test, rate change due to market fluctuations or rate extensions on Home Preferred at no cost.

5.18 ESCROW HOLDBACK

A. Participating Lender

If permitted by agency, insurers or guarantors, all repairs specified in an escrow holdback agreement must be finalized and documented with an appraisal update and/or completion report (Form 1004D) before NH Housing purchases the Mortgage Loan. Participating Lenders will be subject to rate extensions if applicable. Mortgage Loans insured or guaranteed by FHA, VA, or RD with repairs that cannot be completed before the sale to NH Housing due to weather-related delays may be submitted to NH Housing for evaluation. If approved, NH Housing will require the Participating Lender to execute an undertaking and indemnity agreement.

B. Participation Originator

If permitted by the agency, insurers, or guarantors, escrow holdbacks may be used to address repairs, renovations, or meeting appraisal standards for transactions. However, escrow holdbacks are not permitted on Conventional Mortgage Loans. For Mortgage Loans insured or guaranteed through FHA, VA, or RD, required repairs must be completed within 60 days of the closing date and in compliance with the escrow holdback agreement. Repairs that cannot be completed within this timeframe due to weather-related delays may be presented to NH Housing for consideration. Additionally, escrow holdback funds must be related to the property securing the mortgage.

SECTION 6 – HOMEBUYER TAX CREDIT PROGRAM (MCC)

The Homebuyer Tax Credit Program is a Mortgage Credit Certificate (MCC) Program. The MCC Program is a federal program that aims to provide eligible Borrowers with a long-term benefit to help them afford a home. An MCC works by reducing the federal income taxes that an eligible homebuyer must pay. The MCC can convert a percentage of the interest paid on a mortgage each year into a tax credit. The maximum tax savings could be up to \$2,000 per year. Required forms are available on our [website](#). See [Fact Sheet](#) for more information. Home First Mortgage Loans cannot be combined with an MCC.

As stated in Homeownership Program Rule HFA 341.16, all lenders legally authorized to originate residential mortgages in the state may participate in the MCC Program in one or both of the following capacities:

- Acting participating MCC Lender; and/or
- An underlying mortgage lender

To act as a participating MCC Lender, a lender must sign the MCC Lender Agreement or complete the Mortgage Loan Purchase Agreement (MLPA).

6.1 MORTGAGE CREDIT CERTIFICATE REQUIREMENTS

A. Eligible Borrower

To be eligible to receive an MCC, a Borrower must meet certain requirements:

- a. Be a first-time homebuyer or purchase in a targeted area
- b. Occupy the home as their principal residence
- c. Income and purchase price limits
- d. Have an eligible first mortgage
- e. Have a tax liability

B. Maximum Rate on Underlying Mortgage

For fixed rate loans, the highest interest rate on the underlying mortgage is the highest rate offered by NH Housing at the time of rate lock. For ARM, refer to the variance for ARM policy by contacting NH Housing.

Underlying mortgages with non-occupant Borrowers are not allowed under NH Housing's MCC program.

C. Income Qualifications

Effective January 3, 2022, NH Housing will follow IRS Revenue Ruling 86-124 when reviewing income eligibility under the MCC program. Under the MCC income standard, NH Housing will only require gross income verification (meaning the income considered in determining eligibility and the documents required to verify income) from the following MCC applicants:

1. All mortgagors. "Mortgagor" means someone who:
 - a. Owns an interest in the home (is on the deed); and
 - b. Signs the mortgage as security for the loan, even if not on the note.
2. Any other person who is secondarily liable on the mortgage and is expected to live in the home.

"Secondarily liable" means anyone who signs the note or other document that creates liability on the note.

NH Housing does not issue MCCs to underlying mortgages with non-occupant Borrowers.

D. Mortgage Credit Certificate (MCC) Fees

NH Housing sets MCC Fees when establishing MCC program requirements. MCC fees are subject to change at any time. A fee schedule is available on our [website](#).

E. Closing Cost Limits

Lenders may not charge an MCC Borrower any additional fees for the MCC. Other loan closing costs are limited to fees that are reasonable and customarily charged to a Borrower applying for a mortgage without an MCC.

6.2 MCC RESERVATIONS

Participating MCC Lenders must use Lender Online to reserve the MCC. If Lender Online is not available, the Participating MCC Lender must submit a reservation using the Reservation Form, which may be emailed to mcc@nhhfa.org.

MCC reservations shall automatically expire four months from the reservation date. Reservations shall automatically be extended if NH Housing is processing a complete MCC package.

Reservations may be extended by NH Housing, provided:

- a. The Borrower or lender initiates an extension request;
- b. The MCC, based on the extended reservation, can still be issued in compliance with IRS regulations and NH Housing rules; and
- c. There is MCC capacity still available to fulfill the reservation, as extended.

6.3 USE OF MCC WHEN UNDERWRITING A MORTGAGE

Provided the loan meets all applicable requirements, NH Housing will purchase loans that use an MCC in qualifying the Borrower. In doing so, the lender must follow the MCC requirements established by the different loan programs or mortgage insurer/guarantor, which can vary based on the type of loan being underwritten (FHA, RD, VA and Fannie Mae). When a lender sells a loan to NH Housing, the lender is representing that it complied with those underwriting requirements for using the MCC.

6.4 PRE-APPROVAL POLICY AND PROCEDURES

NH Housing does not require lenders to seek a MCC pre-approval but will review if it is essential to the mortgage transaction (e.g. the MCC is needed to qualify for the mortgage). Generally, the lender compiles the MCC application and provides it to NH Housing after the mortgage closing. NH Housing then reviews the application and issues the MCC, if the Borrower qualifies. To accommodate lender's request, NH Housing will provide a MCC pre-approval, provided the lender complies with this policy.

A. MCC Pre-approval Procedures

If a lender requests an MCC pre-approval, NH Housing and the lender shall follow these procedures. If there has been any material change, the lender shall ensure NH Housing has a current complete MCC packet.

This policy provides a process to obtain an MCC pre-approval. NH Housing's obligation to purchase a loan still depends on the lender ensuring that a loan meets all program guidelines. For example, if NH Housing has issued an MCC Pre-Approval but the Borrower does not ultimately qualify for an MCC, and that impacts the ability to obtain insurance/guarantee on the loan, the lender bears that risk and NH Housing would not be required to buy that loan.

B. Lender Responsibilities

A complete MCC Pre-Approval request must be submitted to NH Housing at least three (3) business days before the scheduled mortgage closing. NH Housing will not review an MCC Pre-Approval until the packet is complete. The lender must submit the following MCC Pre-Approval Packet:

- a. Copy of complete signed Loan Application (1003);
- b. Online Homebuyer Tax Credit Training Certificate of Completion;
- c. Copy of complete MCC Applicant(s) Affidavit and Recapture Notification;
- d. Verification of the income for all Mortgagors and any other person who is expected to both live in the home and be secondarily liable on the Mortgage, including but not limited to:
 - i. Wages and other compensation (evidenced by most recent 30-days paystubs), Child support, SSI, SSDI, VA Benefits, Pension/Annuity and current year-to-date business profit and loss statement.
- e. Tax Returns - signed and dated, copies for the most recent three (3) years, complete with all schedules and W-2s, or three (3) years complete IRS tax transcripts for all Mortgagors and any other person who is expected to both live in the home and be secondarily liable on the Mortgage.
 - i. **NOTE:** If the property is located in a Targeted Area, tax returns and/or transcripts are not required unless the Borrower is self-employed, in which case, two (2) years would need to be provided.

C. NH Housing Responsibilities

Upon receiving a complete MCC Pre-Approval packet, NH Housing will review the packet; and within three business days, provide the lender a decision on the MCC Pre-Approval request.

D. After the Mortgage Closing (Lender Responsibilities)

After the mortgage closing, the lender must, within 14 calendar days of the closing date, submit the remaining documents for a complete MCC Application. The remaining documents required for an MCC to be issued are:

- a. Underwriting and Transmittal Summary (completed and signed by the underwriter);
- b. Copy of complete Final signed Loan Application (1003);
- c. Copy of Real Estate Sales Contract, signed, with all Addenda;
- d. MCC Program Disclaimer and Affirmation of Responsibility;
- e. Applicant(s) Closing Affidavit;
- f. Seller Affidavit;
- g. Lender Closing Certificate;
- h. Copy of executed Note;
- i. Copy of executed Mortgage;
- j. Copy of Warranty Deed (fully executed);
- k. Copy of Closing Disclosure (fully executed); and
- l. MCC fee.

Complete copies of all MCC documents can be found here:

- [Application package with NH Housing mortgages](#)
- [Application package without NH Housing mortgages](#)

NOTE: If the lender is aware of any material change, the lender shall submit a new and complete application.

E. MCC Issuance

Provided NH Housing does not receive any information of a material change in circumstances that would disqualify the MCC applicant, NH Housing will issue the MCC.

SECTION 7 - DELIVERY AND PURCHASE

The following policy presents an overview of the process Participating Lenders shall follow when delivering Mortgage Loans that will be sold to NH Housing.

7.1 LOAN DELIVERY BY PARTICIPATING LENDER

The Participating Lender shall deliver the Closed Loan Package to NH Housing in accordance with the MLPA and Program Guidelines and with all of the documents listed on the Stacking List for the specific type of loan found in the [Forms](#) section of the Website. To avoid late delivery fees, the Participating Lender must deliver a complete Closed Loan Package on or before the reservation expiration date except for Home Preferred loan, which must be delivered ten (10) days prior to the expiration date. Participating Lenders shall commit the loan and then close the loan reservation in Lender Online.

7.2 COMPLIANCE REVIEW BY NH HOUSING

NH Housing will review the Mortgage Loan documents for compliance with AUS findings and Program Guidelines to ensure documents are correctly completed and executed. NH Housing shall then notify the Participating Lender about the loan's purchase, suspension or rejection via Lender Online.

7.3 CLOSING DOCUMENT REVIEW BY NH HOUSING

NH Housing will review all Closing Documents (except the title policy that shall be reviewed post purchase) to ensure compliance with Section 8 – Closing Document Compliance of this Selling Guide. If the Closing Documents do not comply with this policy (an error), then NH Housing shall not purchase the loan until the error has been corrected, consistent with this policy.

7.4 MORTGAGE LOAN PURCHASE

NH Housing will purchase the Mortgage Loan if it is determined that the Mortgage Loan complies with the Mortgage Loan Purchase Agreement, Selling Guide and Program Guidelines. Upon approval, NH Housing shall email the Participating Lender a pre-purchase advice, listing the amounts due to the Participating Lender.

The pre-purchase advice will show an adjustment for the first payment if the loan will be purchased within 15 days of the first payment being due. The Participating Lender shall then review, verify and send NH Housing an email either approving the amounts stated in the pre-purchase advice or advise NH Housing of any discrepancies. Once the Participating Lender has approved the pre-purchase advice, NH Housing shall email the final purchase advice to the Participating Lender.

Participating Lenders will be responsible to pay taxes and/or insurance if the due date is on or before first payment due to NH Housing. Any payments due to be collected by the Participating Lender that are fifteen (15) days or more past due must be reported to NH Housing within five (5) business days of exceeding this grace period.

NOTE: The purchase advice merely addresses the amounts related to the loan; it does not address whether the loan complies with the Program Guidelines.

7.5 POST- PURCHASE LENDER OBLIGATIONS

Upon notification of purchase, the Participating Lender shall:

- A. Send the Borrower a transfer of servicing letter (aka “goodbye letter”)
- B. Record the [Assignment of Mortgage](#) at the registry of deeds, with NH Housing as the addressee for the assignment once recorded. The mortgage assignment shall be the same mortgage assignment approved by NH Housing before purchase.
- C. Activate Private Mortgage Insurance certificate (if applicable)
- D. Notify FHA/RD/VA of servicing transfer, as applicable

- E. Notify the following providers servicing has been transferred (as applicable):
 - a. Master Condo Insurance
 - b. Hazard Insurance
 - c. Flood Insurance
 - d. PMI Company
 - e. Flood Determination Company
- F. Forward to NH Housing copies of all servicing transfer correspondence
- G. Forward to NH Housing any missing loan closing documents

Upon purchase, NH Housing shall send the Borrower a transfer of servicing letter (aka a “welcome letter”).

7.6 POST- PURCHASE LOAN REVIEW

The Participating Lender shall deliver: the original recorded mortgage, the original recorded assignment of mortgage, the final loan title insurance policy and all Trailing Documents to NH Housing within 60-days of the loan purchase date. Upon receipt and before submitting the Trailing Documents to document custodian, NH Housing shall again review the Trailing Documents to ensure they comply with this Selling Guide.

7.7 QUALITY CONTROL

NH Housing complies with industry-standard policies for quality control. NH Housing’s policy is a systematic process for assessing, monitoring, and improving the quality of mortgage loan origination and servicing activities.

SECTION 8 – CLOSING DOCUMENT COMPLIANCE POLICY

The following policy presents an overview of the process which Participating Lenders shall follow when delivering loan closing documents (Closing Documents) to NH Housing under the MPLA between NH Housing and the Participating Lender.

This policy constitutes a “Program Guideline” under the MLPA, which means Participating Lenders and the loans they submit to NH Housing must comply with this policy.

This policy, and NH Housing’s actions, hereunder, must consider requirements of NH Housing, New Hampshire State Law, Mortgage Insurers/Guarantors, Secondary Markets and Document Custodians.

The Closing Documents shall comply with this policy, the Program Guidelines and all other requirements of the mortgage insurer or the secondary market program. In addition to this Policy, all loans are subject to the MLPA.

8.1 GENERAL GUIDELINES

This policy applies to all loans sold to NH Housing.

All missing items will be noted in Lender Online. Participating Lenders shall review the status of their loans in Lender Online periodically to ensure corrections are resolved in a timely manner. The Closing Documents will be delivered to the document custodian for review and compliance with applicable guidelines. In the event an error is not corrected by the Participating Lender, the loan may be subject to penalties under the Trailing Documents Policy.

This policy does not include all possible errors. If a loan includes an error not covered by this policy, the Participating Lender shall contact NH Housing to determine what corrective action is required by NH Housing and/or the document custodian; all corrections are to be in accordance with New Hampshire law.

NH Housing may require Participating Lenders to provide a legal opinion about what corrective action suffices or is required.

8.2 IDENTICAL INFORMATION

In addition to the specific requirements stated below, all Closing Documents shall have the identical transactional information. This means the note, endorsement/allonge, mortgage, assignment of mortgage and final title policy shall be identical in terms of all required information, including name of the Borrower(s), mortgage property address, loan amount, interest rate, property description and other such required information. A loan that does not have identical information does not meet NH Housing’s requirements.

There is one exception: When a property owner is not a Borrower. In such case, that non-borrower owner would:

- A. Not be on the note;
- B. Must be a signatory on the mortgage and waive their homestead rights; and,
- C. Must be on the title policy when the section identifies the owner(s) as compared to any section that identifies the Borrower(s).

We urge Participating Lenders to review the deed and all Closing Documents prior to closing to ensure the above information is provided and consistent with the loan documents and to correct any inconsistencies prior to closing. NH Housing will not purchase a loan that does not comply with the requirements.

F. Initial Escrow Disclosure

Escrow calculations must be made using the Aggregate Adjustment method and include a 2-month cushion for all escrowed items.

SECTION 9 - TRAILING DOCUMENT POLICY

9.1 DEFINITIONS

Correct Document means a required trailing document that is complete, conforming, and accurate and is confirmed by NH Housing and the secondary-market document custodian as being complete, conforming, and accurate.

Incorrect Document means a required trailing document that is not complete, conforming, or accurate as determined by NH Housing or the secondary-market document custodian.

Loan Purchase Date means the date NH Housing purchased a loan from a Participating Lender.

Missing Trailing Document means a required post-closing loan document that:

- Has not been provided to NH Housing; or
- Has been provided to NH Housing but is not a Correct Document, meaning the document is not complete, conforming, or accurate.

9.2 INTRODUCTION

Participating Lenders shall submit all Correct Documents that are required by the applicable stacking list within sixty (60) days of loan purchase. Failure to provide timely Correct Documents creates significant challenges and financial impacts. This policy aims to provide Participating Lenders with a reasonable opportunity to submit Correct Documents. However, if a Participating Lender does not comply, this policy creates penalties to motivate performance and to compensate NH Housing when it takes steps to address a lender’s nonperformance.

9.3 DEADLINES/TIMELINES

To provide Participating Lenders with reasonable time while ensuring timely delivery of Correct Documents to NH Housing, the following timelines/deadlines apply to all loan programs. Participating Lenders can view loan-level document data in Lender Online. Additionally, NH Housing will provide Participating Lenders with periodic reports that breakdown loans by the timeline in this table.

Day 1	Loan Purchase Date
Day 15, 30 and 45	NH Housing will provide reports to Participating Lender with a comprehensive list of loans with Missing Trailing Documents segregated based on the timelines in this table.
Day 60	Correct Documents are due. Documents received after this deadline are considered delinquent Missing Trailing Documents.
Day 61	NH Housing will send Participating Lender a warning that documents are late. Participating Lender shall submit such documents by day 90 or the penalty (see below) will be assessed.
Day 91	Penalty assessed for <u>each</u> Missing Trailing Document that is over 90 days.

Day 120	Penalty not due if Participating Lender provides NH Housing with the Correct Document.
Day 121	Penalty becomes final and collectable if Participating Lender does not provide Correct Document. Without relieving Participating Lender of its obligations, NH Housing may take steps to obtain Missing Trailing Documents.

Note: Timelines/deadlines in this table are based on calendar days since the Loan Purchase Date. Participating Lenders can access each loan’s status in Lender Online. Additionally, NH Housing will be reporting to lenders on a periodic basis the loans that are missing documents, and those reports will categorize the loans based on the timelines in the table. For example, while a loan may pass the 61-day mark, the loan will be reported on the next periodic report, and the lender will have the allotted time to address from the report date.

9.4 INCORRECT DOCUMENTS

If a Participating Lender submits an Incorrect Document, NH Housing shall:

- Notify the Participating Lender of the defect in Lender Online; and
- Provide the Participating Lender with 30 days from the notification to submit the Correct Document.

If the Participating Lender:

- Submits the Correct Document within this 30-day deadline, then, no penalty shall be due; or
- Fails to submit the Correct Document within the 30-day deadline, then a \$150 penalty shall be due and collectable on day 31 from the notice of defect via Lender Online. This 30-day deadline applies even if Participating Lender would have otherwise had additional time to submit under Section 3.3.3. above.

9.5 PENALTIES AND COSTS

If a Participating Lender fails to provide a Correct Document within the deadlines, NH Housing shall impose the following penalties and costs.

- **Penalty:** \$150 per Missing Trailing Document that remains outstanding (missing or incorrect). Thus, a loan file that includes more than one Missing Trailing Document will be assessed a separate \$150 penalty for each Missing Trailing Document.
 - The penalty will be assessed on day 91 for each Missing Trailing Document;
 - The penalty will not be due if the Correct Document is submitted by day 120; and
 - The penalty shall be final and collectable on day 121.
- **Collection of Penalties:** NH Housing will provide Participating Lenders with a statement of penalties that are final and collectable monthly. The Participating Lender shall pay that statement of penalties within 30 days. If the Participating Lender fails to timely pay, NH Housing shall take additional steps to obtain payment, which could include withholding lender compensation on other loans and crediting that holdback towards the outstanding penalties.
- **Costs:** NH Housing may charge Participating Lenders for “costs” that exceed the penalty when NH Housing or a third-party vendor takes steps to obtain:
 - A Missing Trailing Document that is still missing 121 days after Loan Purchase; or
 - An Incorrect Document that has not been corrected within the 30-day deadline.

“Costs” includes staff time, document preparation, shipping, or recording and other costs associated with NH Housing having to obtain the document.

9.6 LOAN SALE/ASSIGNMENT

The Participating Lender’s sale/assignment of a loan to NH Housing entitles NH Housing to work directly with the Borrower(s) and any third party that closed the loan or provided any service/insurance connected to the loan, e.g., title company or title insurer. Lenders shall support NH Housing’s exercise of this right such as informing Borrower(s) and third parties to cooperate with NH Housing’s efforts to obtain Correct Documents.

9.7 LENDER CONTACTS

To assist with reporting and to ensure performance, Participating Lenders shall provide NH Housing with staff contact(s) who work day-to-day on the post-closing documents. Additionally, Participating Lenders shall provide contacts for manager(s) of the post-closing process and the contact name for billing statements of penalties and costs. Participating Lenders shall use the contact form to update the list with staffing changes. NH Housing shall use this contact list to send reports and to reach out when needed to address nonperformance. Changes to post-closing contacts shall be submitted to missingitems@nhhfa.org.

9.8 REPORTING AND CHECK-INS

- **Lender Online:** Participating Lenders may use Lender Online to view all loan files that have missing documents.
- **Reports:** to assist lenders, NH Housing will provide Participating Lenders with periodic reports that show the status of loan files with Missing Trailing Documents. The reports shall provide a list of loans categorized by the time since the Loan Purchase Date.
- **Check-ins:** NH Housing may hold periodic calls with Participating Lenders to review the list of Missing Trailing Documents and to address any performance issues.

9.9 OTHER REMEDIES

Nothing in this policy, including the penalties and costs, limits NH Housing’s rights under the Mortgage Loan Purchase Agreement. Specifically, Participating Lenders that fail to meet the obligation to provide Correct Documents or to pay the penalties and costs may be:

- Suspended or terminated from participating in NH Housing’s programs; or
- Required to repurchase the loan; or
- Required to provide NH Housing with other compensation or assurances related to the Participating Lender’s nonperformance.
